

# ESSENTIALS COLLECTION WIRE SHELVING

Essentials  
Collection

The Essentials Collection Black Wire Shelves are a versatile storage solution suitable for any commercial environment including administrative areas, kitchens, retail spaces, and more.

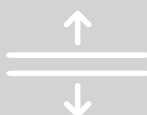

Each 4 tier shelving unit is crafted from epoxy coated steel, ensuring strength and durability while remaining lightweight & easy to manoeuvre.

Easy to assemble

Open wire construction  
allows for air circulation

Adjustable shelf height

Each shelf supports up to  
250kg without castors
